## DID YOU KNOW WE'RE COMMITTED TO SUSTAINABILITY?

At Lowry Restaurant, we're all about keeping things local and sustainable, and our produce is sourced as close to home as possible.

We choose cheeses from Lancashire's **Carron Lodge Farm**, meat from Stockport's **Caldwell's Butchers**, and seasonal vegetables grown with care at **Field28** in Daresbury. This ensures we bring you the freshest, most responsibly sourced ingredients.

Eating with the seasons isn't just about taste—it's about supporting local suppliers, reducing food miles, and making better choices for the planet.
