STORYTELLING ADVENTURE

Step into a world of wonder this festive season in Lowry's Bar and Kitchen. Join us for lively, laugh-out-loud sessions inspired by Angelica Sprocket and her never-ending pockets — where Christmas surprises tumble out, imaginations run wild, and anything could happen.

Each 20-minute adventure is packed with fun, interaction, and plenty of chances for children to join in. Perfect for little listeners, big imaginations, and families looking for a joyful festive treat.

Sessions at 12pm, 1pm, 2pm and 3pm, every day the building is open throughout the festive period.

FESTIVE CRAFTS

Step into the Lookout and dive into a world of Christmas creativity. From twinkly cards to mini wreaths and all sorts of merry makes, our artists will be on hand to help little creators bring their festive ideas to life.

Get stuck into cutting, sticking, decorating... and of course, adding a generous sprinkle of glitter. It's joyful, hands-on fun for the whole family.

Drop in anytime between 11.30am–3pm, every day the building is open throughout the festive period.

ARTY ELF

Pop up to the Lookout and share some festive cheer with our mischievous resident elf, Arty. He adores hearing all about your adventures while visiting us — from the things you've spotted in the galleries to the fun you've had in our theatres.

Children can write Arty Elf a special letter, post it in his magical mailbox, and wait for a reply from the elf himself. Arty will be sending messages back right up until 23 December, so little visitors can enjoy a sprinkle of Christmas magic all season long.

Drop in anytime between 10am–4pm, every day the building is open throughout the festive period.

MAKE YOUR OWN MINI CROCODILE

Snap, snap... it's crafting time! Inspired by this year's Christmas show, The Enormous Crocodile, families are invited to scurry up to the Lookout and create their very own mini croc to take home.

Drop in anytime between 10am–4pm, every day the building is open throughout the festive period.

THE BOOK NOOK

Step into a world of imagination in our Quentin Blake-inspired Book Nook — a cosy, self-led space for curious minds of all ages!

Discover a fresh selection of his beloved titles, alongside exciting new books in a variety of languages from around the world.
